

# Memo for Record

**Date:** 10/30/2006

**Date Modified:** 3/9/07; 2/4/08

Subject: Software Review Board Membership for the Engineering Directorate Flight and Ground Software Division

---

The Software Review Board (SRB) is the review board for the Flight and Ground Software Division within the Engineering Directorate. This board focuses on flight software related products developed within the Engineering Directorate.

Cathy White serves as the SRB chairperson. In the absence of the chairperson, the Division Chief or Designee with the primary responsibility for the product under review serves as the alternate.

The voting membership of the SRB is as follows:

Name	Organization/Area Represented	Voting Role
Cathy White	ES50 Technical Assistant	Chairperson Voting Member
Leann Thomas	ES50 Division Chief or Designee	Voting Member
Darrell Bailey	ES50 Technical Assistant	Voting Member
Pat Benson	ES51 Branch Chief or Designee	Voting Member
Yvette Johnson	ES51 Technical Assistant	Voting Member
vacant	ES52 Branch Chief or Designee	Voting Member
Terry Brown	ES52 Technical Assistant	Voting Member
Steve Purinton	ES53 Branch Chief or Designee	Voting Member
vacant	ES53 Technical Assistant	Voting Member
Rosalynne Strickland	QD21 Software Assurance	Voting Member
Helen Housch	Software Engineering Process Group (SEPG) Lead	Voting Member
Tami McGhee	Software Configuration Management Lead	Voting Member
Name(s) as defined in a memo or email from the Project	Project Representative(s)	Voting Member(s) by Project Affiliation
Name(s) as defined in a memo or email from the Customer	Customer Representative(s)	Voting Member(s) by Project Affiliation

It is not necessary for the entire voting membership to be notified of every SRB meeting. The SRB chairperson issues meeting invitations to SRB members based on each member's affiliation with the project being addressed.
